#### **10. Parallel Contracts:**

**(i)** Parallel contracts, with more than one bidder (for the same contract) may be concluded in the following cases:

(a) After due processing, if it is discovered that the quantity to be ordered is far more than what L-1 alone is capable of supplying (or has quoted for) and there was no prior stipulation in the bid document to split the quantities, then the quantity being finally ordered may be distributed among the other bidders by counter offering the L1 rate in a manner that is fair, transparent, and equitable. L-1 bidder must quote for minimum 60% of quantity.

(b) When it is decided in advance to have more than one source of supply due to the critical/ strategic/ specific nature of the supplies/ goods (and rate contracts are not appropriate for such goods) parallel contract clause should be added to the bid documents, clearly stating that India Government Mint, Kolkata reserves the right to split the contract quantity between suppliers. The manner of deciding relative share of lowest bidder (L1) contractor and the rest of the tenderers should be clearly defined, along with the minimum number of suppliers sought for the contract. In case of splitting in two and three, the ratio of 70:30; 50:30:20, respectively, may be used - a different ratio may also be justified. These ratios are approximate and India Government Mint, Kolkata reserves its right to marginally vary quantities to suit capacity of the firm/ unit loads of packing or transportation. However, the requirements may not be split into a number of tenders of smaller quantities for the reason that one supplier may not be able to supply the entire quantity. It should also be mentioned in such cases that the firms should not quote for less than 25% of the tendered quantity ; otherwise, their offer would be considered as unresponsive.

**(ii)** Before splitting the quantity, it should be ensured that the L1 price is reasonable. If it is not reasonable , negotiation with the L1 party may be carried out with the approval of the CFA. The following guidelines are to be considered while opting for parallel contracts:

(a) L1 should be awarded at least the percentage mentioned above or his spare supply capacity, whichever is lower; and

(b) For the rest of the contract quantity, the lowest rate accepted will be counter offered to the L2 party. On acceptance of the counteroffer, the order will be placed on L2 for the respective percentage or the spare supply capacity of the L2 bidder, whichever is lower, and so on to other tenderers. In case of non-acceptance of the counteroffer by L2 party, a similar offer shall be made to L3 and L4 and so on.

**(iii)** For MSE firms, Parallel contract is applicable as per MSME guidelines issued time to time.

**11.** The total cost inclusive of all as cited above on FOR India Govt. Mint, Kolkata (W.B) basis should be indicated clearly both in words and figures in the price bid.

**12.** Documentary evidence to be submitted towards PAN & GST Registration Certificate.

**13.** Participating Bidder must submit sealed and signed copy of entire GeM bid document including the Technical Specification. Also the participating bidder must submit sealed & signed Annexure I in their letter head & checklist attached under Technical Specification.

**15.** The supplier has to provide GeM invoice during submission of bill for payment.

#### **16. Price Schedule:**

While quoting the price through GeM portal, the detailed price breakup along with GST percentage must be mentioned and attached as pdf in the document attachment option of price bid mandatorily. Do not upload financial documents related to financial standings like audited balance sheets in the document attachment field of price bid, attach only the detailed price breakup of the quotation as mentioned above. Detailed price breakup of the quotation must be in the format as attached in the end of this bid document.

Price to be mentioned only in price bid not in Techno commercial bid or any other place. If it is mentioned

any other part other than price bid, the offer will be rejected.
