#### **10. Parallel Contracts**

(i) Parallel contracts, with more than one bidder (for the same contract) may be concluded in the following cases:

After due processing, if it is discovered that the quantity to be ordered is far more than what L1 alone is capable of supplying and there was no prior decision/ declaration in the bidding documents to split the quantities, then the quantity being finally ordered may be distributed among the other bidders by counter offering the L1 rate in a manner that is fair, transparent and equitable based on objective data available in the bids e.g. eligibility data, Quantity/ Delivery etc.

In case of splitting in two and three, the ratio of 70:30; 50:30:20, respectively, may be used - a different ratio may also be applied for this tender as per requirement of India Government Mint, Kolkata. These ratios are approximate and India Government Mint, Kolkata reserves its right to marginally vary quantities to suit capacity of the firm/ unit loads of packing or transportation. However, the requirements may not be split into a number of tenders of smaller quantities for the reason that one supplier may not be able to supply the entire quantity. It is also to mention in such cases that the firms should not quote for less than 25% of the t

endered quantity; otherwise, their offer would be considered as unresponsive.

Before splitting the quantity, it should be ensured that the L1 price is reasonable. If it is not reasonable, negotiation with the L1 party may be carried out, if justifiable, with the approval of the CA. The following guidelines are to be considered while opting for parallel contracts:

i) L1 should be awarded at least the percentage mentioned above or his spare supply capacity, whichever is lower; and

ii) For the rest of the contract quantity, the lowest rate accepted will be counter offered to the L2 party. On acceptance of the counter offer, the order will be placed on L2 for the respective percentage or the spare supply capacity of the L2 bidder, whichever is lower, and so on, to other tenderers. In case of non-acceptance of the counter offer by the L2 party, a similar offer shall be made to L3 and L4, and so on.

**11.** The total cost inclusive of all as cited above on FOR India Govt. Mint, Kolkata (W.B) basis should be indicated clearly both in words and figures in the price bid.

**12.** Documentary evidence to be submitted towards PAN & GST Registration Certificate.

**13.** Participating Bidder must submit sealed and signed copy of entire GeM bid document including the Buyer Specification Document. Also the participating bidder must submit duly filled, sealed & signed **Annexure I, Annexure II & Annexure III** in their letter head attached under Specification Document.

**15.** The supplier has to provide GeM invoice during submission of bill for payment.

#### **16. Price Schedule:**
